Our Microsoft OneDrive training sessions are meant to provide you with live instructions and demonstrations, as well as time to answer your questions. If your question requires a lengthier answer or additional testing on our part, we will follow up with you (and all attendees from your session) to provide the answer once we have one! View the schedule below to find the date(s) and time(s) that you would like to attend.

To join a session during its scheduled time, simply click the Join Now button below and follow the on-screen instructions.
