Adding a TA to Course in D2L

1. Go to COMMUNICATION then click on CLASSLIST
2. Click on ADD PARTICIPANTS then ADD EXISTING USERS
3. In the search box type either: First and Last Name, SIUdawgtag, or email address to locate the participant you would like to add to the course. Click on the magnifying glass to show results.

4. Check the box next to the participant you would like to add and select a Role (ex. TA)

Note: TA-restricted role allows you to designate TA for specific section(s) within the same course shell otherwise TA has access to all sections in a cross-listed course.
