Posting on Discussion Boards in D2L Quick Guide

1. After logging into your course and landing on the Course Home page, select Discussions from the Communication drop-down menu.

2. Place the pointer on the discussion topic title and select the discussion topic where you want to post or reply. The active discussion topic will be underlined.

3. Begin posting by selecting “Start a New Thread” to type your input. Follow your instructor’s criteria for content and posting.
